8115

YARN : YarnArt Lana Fresco 8115 - 6 pcs
HOOK : 4 mm + Scissors
SIZE : S

This model is crocheted horizontally, from the back towards the front.

Stitches / Techniques Used

- chain
- double crochet
- treble crochet

Using a 4 mm hook, make enough chains to measure 160 cm, plus 3 extra turning chains to move up to the next row.

Row 1: Turn the work with 3 chains and work 1 double crochet into each chain across, from the back section to the end of the front section.

Row 2: Turn the work with 3 chains and complete the row by working 1 double crochet into each double crochet from the previous row.

Row 3: Turn the work with 4 chains and complete the row by working 1 treble crochet into each double crochet from the previous row.

Row 4: Turn the work and complete the row in the sequence of 1 treble crochet, 1 chain across.

Row 5: Turn the work with 3 chains and work 2 double crochets into each chain space across, without making any chains in between.

From this point on, Rows 2, 3, 4, and 5 are repeated until reaching the back and front body measurements given in Diagram 1 (Stage 1).

After completing the first front section, cut the yarn.

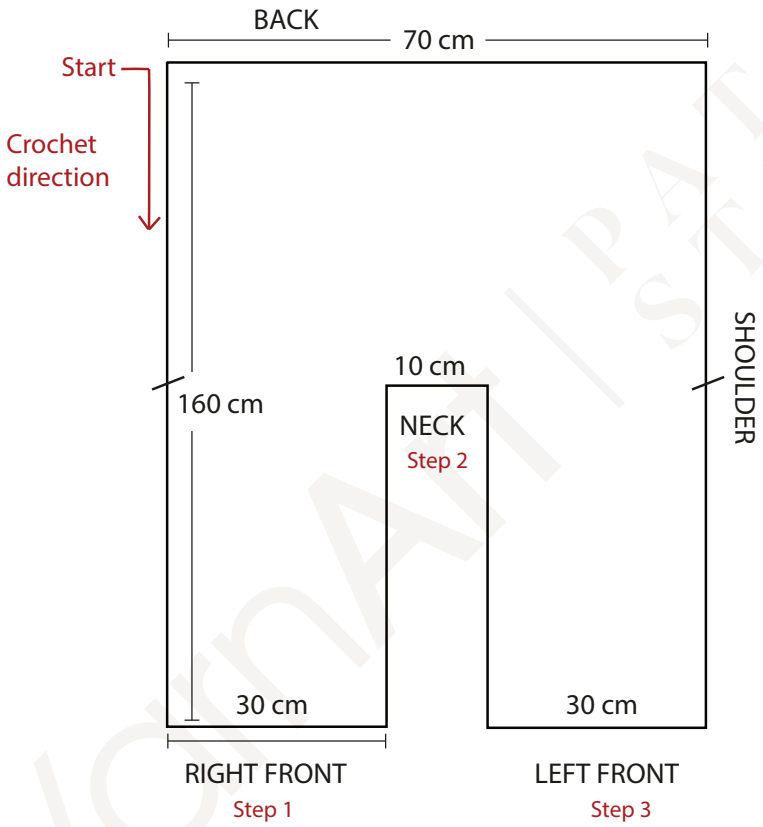

Lay the piece flat on a table and fold it evenly in half. Starting from the exact centre point (80 cm), fasten the yarn and continue in pattern to complete the 10 cm back neck section (Stage 2).

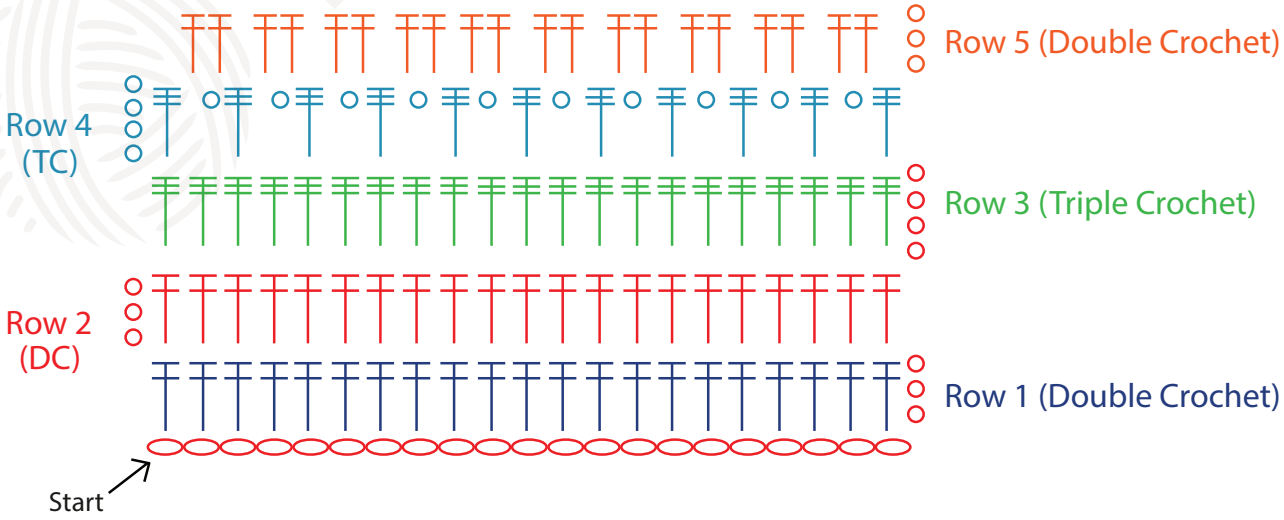

After finishing the back neck, without cutting the yarn, chain 80 cm + 3 turning chains, turn the work, and crochet the front and back section of Stage 3 following the established pattern until the model is complete.

You can finish the model by shaping the waist with a thin belt in a matching colour, threading it through the 1 double crochet, 1 chain spaces at the waist.

Happy crocheting!
